## ROB CROW

Press Contact: Caroline Borolla at AAM - [caroline@aaminc.com](mailto:caroline@aaminc.com)

Rob Crow is the frontman for the relatively well-known group Pinback. When he's not touring with, or making albums for one of his many collaborations (including the aforementioned Pinback, The Ladies, Goblin Cock, Optiganally Yours, Other Men, Alpha Males, etc.), he makes solo records. His latest album, 'Living Well', is his most focused and heartfelt album yet. He writes some of the most addictive songs we have ever heard, and he often has a giant beard to boot.
